

H-Series All-metal Hutches

Rectangular, Hanging Cages Without Pans for Rabbit, Dog, and Other Small Animals

Cage Specifications and Ordering Instructions:

1. Doors swing out and to the right.
2. **Some Assembly Required.** Cages are priced collapsed, pre-cut, and with the front complete. J-clips and hardware are included for assembly. Set-up charge on request varies with each cage size. Please call for details.
3. All dividers are 1/2" x 1" or 1/2" x 1/2" mesh. Doors and door openings are framed with galvanized metal "U" channels, for smoothness and rigidity. **Feeders sold separately (See Page 24).**
4. **To Order:** Please insert the Code Letter for the H-series cage you wish to buy after the Base Stock No. For example, H79B would be 24" X 24" X 18" cage made with galvanized before wire and with a 14 gauge floor.

H80A

Please Note:

1. Cages should be ordered prior to date needed.
2. Baby saver wire is a special side wire with the bottom 4" a smaller mesh.
3. Cages listed as United Parcel Service (U.P.S.) shipments and total over 500 lbs may be shipped by truck. No package for United Parcel can be over 130" in length plus girth. Truck shipments must be paid in advance, but the shipping charges will be paid by you upon delivery.
4. **Custom cages** can be made for all animals - call to get a quote for cages that satisfy your needs!

QUESTIONS ABOUT GALVANIZED AFTER VS. GALVANIZED BEFORE MESH? See Page 1

Unassembled cages require the use of a **J-clip pliers**. We provide pliers on a rental basis for a deposit of \$14.90. If returned within 30 days with a copy of the original sales slip, \$11.90 of the deposit will be refunded. Ask for **Stock No. Z079**.
