

H-Series All-metal Hutches

Rectangular, Hanging Cages Without Pans for Rabbit, Dog, and Other Small Animals

Cage Specifications and Ordering Instructions:

1. Doors swing out and to the right.
2. **Some Assembly Required.** Cages are priced collapsed, pre-cut, and with the front complete. J-clips and hardware are included for assembly. Set-up charge on request varies with each cage size. Please call for details.
3. All dividers are 1/2" x 1" or 1/2" x 1/2" mesh. Doors and door openings are framed with galvanized metal "U" channels, for smoothness and rigidity. **Feeders sold separately (See Page 24).**
4. **To Order:** Please insert the Code Letter for the H-series cage you wish to buy after the Base Stock No. For example, H79B would be 24" X 24" X 18" cage made with galvanized before wire and with a 14 gauge floor.

H80A

Please Note:

1. Cages should be ordered prior to date needed.
2. Baby saver wire is a special side wire with the bottom 4" a smaller mesh.
3. Cages listed as United Parcel Service (U.P.S.) shipments and total over 250 lbs may be shipped by truck. No package for United Parcel can be over 130" in length plus girth.
4. **Custom cages** can be made for all animals - call to get a quote.

QUESTIONS ABOUT GALVANIZED AFTER VS. GALVANIZED BEFORE MESH?

See Page 1

Galvanized After Welded Cages (Codes A & M) Provide Metal Door Framing on the Door and Door Opening
Galvanized Before Welded Cages (Codes B & L) Provide Plastic Door Liners on the Door Openings
