

# CARRIERS

## C-SERIES DELUXE BLACK VINYL COATED WIRE HAULING CAGES *TRANSPORT YOUR RABBITS IN COMFORT AND SAFETY!*

Each carrier includes pan, pan springs, door(s), & card holder(s). **Handles & Door Locks Sold Separately!**

### Ordering Instructions:

- Determine the style of carrier you want and its Base Stock Number.
- Select from one of the three styles of dividers available:
  - Code W:** Wire Dividers. High-quality 1/2" X 1", 16-gauge galvanized after wire dividers. Wire dividers allow maximum air flow.
  - Code P:** Blue Polyethylene Solid Dividers. These attractive dividers are easily cleaned, never rust, and provide maximum protection from adjacent rabbits.
  - Code M:** Perforated Galv. Metal Dividers. The perforations allow some air flow.
- Combine the divider code with the Base Stock Number to create the Stock Number, such as C10P for a two-compartment carrier for giant breeds with polyethylene dividers.
