Rabbit Nutri-Drops

M442

A superior, nutrient rich combination of balanced high vitamins, minerals, amino acids and glucose. These nutrients support life and are needed *quickly* to restore a non-functioning immune system. Feed and supplements normally require 8-14 hours for digestion. *Nutri-Drops does not require digestion.* Nutri-Drops is the first and only oral supplement to deliver vital nutrients directly to the bloodstream in minutes while other supplements are still in the digestion process. Bypassing digestion enables maximum speed and availability of nutrients.
